MEMORANDUM FOR:

[redacted]
Chief, Regulations Control Division

STAT

FROM:

J. Kenneth McDonald
Chief, DCI History Staff

SUBJECT:

Comments on Proposed [redacted] File Designation under
the FOI Act (Job #809)

STAT

1. On line 17 of page 4, the proposed [redacted] refers to the "CIA Historian". While the SSCI report on S. 1324 uses this term, the actual Agency title is "Chief of the History Staff" or "Chief, DCI History Staff".

STAT

2. Since [redacted] is for internal Agency guidance, I suspect that the proper Agency title might be clearer than "CIA Historian", a position that doesn't exist in CIA's organizational tables. It is, however, a small point and I'll answer to whatever I'm called.
